March 5, 1975 - Swasey Gymnasium

Meeting was called to order at 7 P.M. by the Moderator, Richard L. Russman, who welcomed everyone. Prayer was offered by Rev. Wendell Irvine, First Congregational Church. All voters were asked to sit in chairs, if possible, and the new voters were welcomed. The Moderator introduced the Town Clerk and three Selectmen. The results of the balloting from the previous day were read by the Moderator who appointed the following to the Finance Committee: Dr. Daniel Burbank, Robert Drew, Mrs. James Jackson and Theodore Vogel. He thanked those whose term had expired and briefly explained the Finance Committee.

Art. 2 - It was voted that the sum of \$311,429.00 be raised and appropriated to defray town charges for the ensuing year. Donald Clark, Chairman of the Board of Selectmen, explained that the \$1,500.00 item listed in the 1975 Appropriations under Special Articles should have appeared in the regular insurance category. Much pro and con discussion was heard regarding the Southern Rockingham Regional Planning Commission figure, but the entire amount was passed.

Art. 3 - It was voted to authorize the Selectmen and Town Treasurer to borrow such sums of money in anticipation of the collection of taxes for the current year and to issue in the name of the Town negotiable notes, the aforesaid notes to be paid during the current year from taxes collected during the year.

Art. 4 - It was voted to raise and appropriate the sum of \$603.00 and the State will contribute \$4,015.70 for Class IV & V Highways under the provisions of T.R.A.

Art. 5 - It was voted to raise and appropriate \$1,536.00 for the installation of a 2000 gallon oil tank for the Town Hall.

Art. 6 - This article was defeated - regarding the purchase of a 10,000 gallon tank and pump, locking type, to be placed at the new Town Garage.

Art. 7 - This article was defeated on a standing vote YES 114 and NO 157. Tellers were Benedetto Romano, Robert Vincent, David Conant and Carl Hornig. This article was for \$1,500.00 for the surveying of the dam site on Main Street.

Art. 8 - A motion was made that the article be passed as read, whereupon an amendment was made, striking out the words "to authorize the Selectmen to sell at public auction"

and substituting: "to allow the Selectmen to negotiate for the disposal of the land." After much discussion, this amendment was defeated.

Then a new amendment was made, striking out these same words and substituting: "to authorize the Selectmen to negotiate the sale of land of the Bartlett Street property in the best interest of the town and the abutters, including subdivision, if necessary and that the purchasers remove the present structures. Following a long discussion, it was voted to cut off debate on the amendment, whereupon the amendment was passed. After this, a new amendment was made to strike out the second sentence entirely, and this amendment was voted affirmatively.

This brought the matter back to the original article as amended which was passed, now reading: "To authorize the Selectmen to negotiate the sale of land of the Bartlett Street property in the best interest of the town and the abutters, including subdivision, if necessary and that the purchasers remove the present structures.

Art. 9 - A motion was made to raise and appropriate a sum not to exceed \$2,000.00 for the purchase of a heating system for the new Town Garage. After much pro and con discussion, a voice vote was taken, which the Moderator declared Affirmative. The Moderator was challenged by Bruce Sloan who was joined by more than seven others; thus necessitating a check list vote.

The Town Clerk, Bettie C. Ouellette, was assisted by David Conant who passed out the Yes and No ballots, and Mrs. Ellen Durling who helped check off the voters. The final tally on the article was: YES 131 and NO 161. Thus the article was defeated and the Moderator announced that the chair stood corrected.

Art. 10 - This article regarding the \$8,000.00 for the construction of a Salt and Sand Shed was defeated on a standing vote: YES 84 and NO 160.

ing Fund, established under the provisions of the State and Local Assistance Act of 1972, to be used with additional appropriations after the completion of the Town Tax Map.

A long discussion ended in a motion to cut off debate which was passed, whereupon the article was defeated on a standing vote: YES 107 and NO 162.

Art. 11 - A motion was made and passed to appropriate a sum not to exceed \$15,000.00 to purchase a new highway truck equal to the 70 series Chevrolet and to transfer the plow frame from the '68 highway truck to the new truck. Said '68 truck to be used as a trade in, and said amount to be taken from the Revenue Sharing Fund, established under the provisions of the State and Local Assistance Act of 1972.

Glory Nason & Brian Collins, Auditors

Once again, it was necessary for me to revise my "Helpful Information for New Residents" as things are continually changing. I attended three different "schools" concerning the new Staggered Registration System which will be effective April 1, 1976, for all private passenger vehicles. I have attempted to keep the citizens informed through the news media and I am attempting to clear up any problems which the people have.

Thanks are extended to all committee members and Town Officers for their cooperation and support.

REPORT OF THE TRUSTEES OF TRUST FUNDS — 1975

A new law passed in 1975, Chapter 78, has eliminated the requirement that the entire list of cemetery trust funds be published annually in the Town Report. Annual reports will now show only new funds established during the year and a summary of total funds for each cemetery plus a full report of other trust funds. The detailed report of individual cemetery trust funds will still be filed with the State annually as required by law, and in Kingston for public information.

During 1975 the following plots were sold and perpetual care funds established for each and for one lot purchased previously:

Greenwood Cemetery - 3 lots 10' x 20' and 3 lots 10' x 10'

Millstream Cemetery - 1 lot 10 x 20'

Pine Grove Cemetery - 6 lots 10' x 20' and 1 lot 10' x 10'

Improvements during the year have included layout of additional lots and a road in Greenwood Cemetery, and removal of a dangerous overhanging elm tree on the boundary of the Plains Cemetery. The tree removal was performed by the Kingston Carnival Committee at no cost to the Town and this assistance is gratefully acknowledged. New fence is needed on the eastern side of the Plains Cemetery next year and a dead tree must be removed from Pine Grove Cemetery before it causes damage.

The income from the Edward S. Sanborn trust fund of 1886 provided gifts of fifteen dollars each to eleven elderly women of Kingston at Christmas time. Under the terms of the donor's will, the recipients are chosen by the Selectmen.

Again in 1975, maintenance in all cemeteries was performed under the direction of Wilbert Swett.

NICHOLS MEMORIAL LIBRARY — 1975

The Bicentennial Year of 1975 has been exciting and busy. The teachers and students of the Bakie School created some delightful and unusual Bicentennial craft projects which we had on display in June. Four of the posters were donated to the Library.

During National Library Week, Mr. Starvish, a pewterer, was a guest speaker. We also had an exhibit of the crafts of the community, story puppets of the third and fifth grades, a story hour for the children and refreshments served by the Friends of the Library.

Mrs. Doris Stratton, Assistant Librarian and Mrs. Carol Rich attended the Public Library Courses at the University of New Hampshire. Mrs. Stratton has completed her courses.

Miss Elaine Cheney conducted a summer reading program with the Bicentennial as its theme, story hours and holiday parties. I had a three-day natural dye workshop with some of the children. We experimented with some of the local dye plants.

The Friends of the Library also sponsored parties for the children, bake and book sales, and purchased film strips for the children's library. Book reviews were presented by Mrs. Judith Kimball of the New Hampshire State Library.

Terri Hasselbar, Heidi Misenheimer, Pam Streeter and Kelly Marcotte have been our Library Aides this year. The girls are learning library skills. They prepared a puppet show, the dialogue and scenery for the Christmas party.

New wall shelving was added to another section of the Junior Library.

Winnie the Pooh visited the library one afternoon in October. He was greeted by two hundred children and their parents.

The Historical Society and the Bicentennial Committee have held their meetings in the library.

The Garden Club filled the urns at the front door and gave us a beautiful balsam wreath. Our Christmas tree in the Junior Library was a gift of Mr. and Mrs. Walter Jones.

JANET MERRICK
Librarian

KINGSTON RECREATION COMMISSION

The year 1975 was a year of progress for the Recreation Commission. During this past year your Recreation Commission has tried to set up programs for young and old alike.

Physical fitness exercises, yoga classes, belly dancing and ballet dancing classes, along with Creative Crafters, the summer swimming program, arts and crafts program, summer recreation program, easter egg hunt, sports, family day and the Halloween party were sponsored by the Recreation Commission.

The year started with the appointment of an arts and crafts director, Mrs. Mary Daniels, through the efforts of the Selectmen and Manpower. Mrs. Daniels' appointment was for one year and was scheduled to end on December 31, 1975.

Two new members were appointed to the Commission. They are: Mrs. Lynn Merrill and Mr. John Malynn. Mrs. Tina Meyers' term had expired, and Mrs. Flori Mills resigned.

Due to the bad weather in the spring, the annual easter egg hunt had to be cancelled. As the spring progressed, plans were started on the summer swimming program and the summer recreation program. Mrs. Daniels arts and crafts program was very well accepted by all ages.

The month of June saw the ballet dance class, under the leadership of Mrs. Linda Branco, hold their first dance recital. Through the joint efforts of the Recreation Commission and the Fire Department, the new family skating area on Church Street was completed. Initial investigative plans on the possibility of having tennis courts in Kingston were started.

The swimming program, in cooperation with the American Red Cross, ran for the entire month of July. Classes were held four days a week. Over 300 area children participated in this program.

Over at the Bakie School playground, the summer program was going on during the month of July and the first two weeks in August. John Paolino was again the director of the program. He was assisted by Mrs. Daniels, Kitty Malloy and Jeff Robie. The average weekly attendance was 279 children.

The children had plenty to do between arts and crafts projects, boys' baseball league and girls' softball league. These games were played against area towns' summer programs.

The highlight of the summer was the visit of the Red Wagon Puppet Show from U.N.H. and the weekly trips that gave the children a chance to see such places as Pease Air Force Base, Canobie Park, Salem Witch Museum, Old Ironsides, Museum of Science, New England Aquarium, and to go roller skating in Newton.

The summer program ended with the third annual track meet at Chase Field for both boys and girls. Children from seven area summer programs also competed against the children of Kingston. Mrs. Daniels' arts and crafts group presented the play "The Frog Prince." The sports and family day ended our program on a very successful note. The Commission would like to thank the following organizations for their help: the Police and Fire Departments, Veterans and Veterans Auxiliary, the V.F.W. and Auxiliary and the area merchants.

The fall months saw the arts and crafts program continued, as well as yoga classes, and physical fitness classes were started. With the help of the Kingston Police, Veterans Club and Auxiliary and the V.F.W. and Auxiliary, the Halloween Party was held for the children of Kingston with over 800 children enjoying the different activities.

Both Mr. Dwight Killam and Mrs. Gert McGlinchey resigned over a dispute with the Selectmen, and were replaced by Mr. Don White and Mr. Harry Carr.

As the year ended, plans to construct tennis courts in 1976 at the Bakie School were still in the formative stages. Mrs. Daniels' appointment was extended another six months. Her term will expire on June 30th, 1976.

The arts and crafts group had their work displayed at the Goodwins Nursing Home for the entire month of December so that residents of the home could enjoy the children's efforts. The puppet group gave two performances of the play "The Canterville Ghost" for the Bakie School children and preschoolers at Christmas time.

It is the hope of the Recreation Commission to continue to improve our efforts and meet the recreational needs of the people of Kingston.

REPORT OF THE KINGSTON HISTORIC MUSEUM COMMITTEE

Another year has rolled by and the Museum Committee wishes to thank all who sat at the museum on Sunday afternoons and many thanks to Catherine Clements and Shirley Phillips who helped with the spring cleaning and fall closing of the museum.

We joined with the Bicentennial Committee in making Bunker Hill week an interesting affair in Kingston. The Museum was open from 10 A.M. to 5 P.M. on June 7th with over two hundred visitors.

We worked with the Historical Society cleaning the Church on the Plains in preparation for an Ecumenical Service which concluded the week of festivities. The Church was filled for the service and the combined choir was excellent.

On October 4th we had a Flea Market on the Plains. Mr. Arthur Reynolds managed this for us and it proved successful beyond a doubt. The Selectmen had kindly offered the use of the Town Hall in case of rain. This was greatly appreciated by the committee but it turned out to be a beautiful day.

The Tramp House or Jail has been completely repaired and the outside of the Museum painted under the supervision of Rodney Wilson and the help of a boy from town, Mark George, who was working under the Manpower youth program.

Scouts and children from the various kindergartens in town visited the Museum as well as many out of state visitors. The total number nearly made the three hundred mark.

We will open the Museum as early in the spring as the weather allows but no later than early June.

Several very fine gifts were made this year as well as loans and space is at a premium, and we are hoping for a chance to expand.

The year was a successful one in spite of two rainy Sundays. We hope for a few new exhibits next spring and invite everyone to visit us.

REPORT OF HISTORIC DISTRICT COMMISSION

The Historic District Commission (HDC) has held regular meetings during the year on the first Monday of each month at 7:30 P.M. Meetings are now being held in the Daley House.

A special meeting was held in the Town Hall in September for all residents of the Historic District and anyone else interested. The purpose of the meeting was to have residents of Kingston inform the HDC about their feelings as to how the HDC should operate. There were not as many in attendance as we had hoped there would be but the meeting was informative and has helped the Commission to draw up the warrant article for the proposed changes to the Zoning Ordinance concerning the Historic District which appears in this years warrant.

The HDC received 14 requests for Certificate of Approval during the past year, all of which were approved.

The HDC would like to express its appreciation for the efforts of Warren Bakie and Mrs. Andrew Christie, former members of the Commission, whose terms expired this past year.

We welcome suggestions and participation from all the residents of Kingston and all meetings are open to the public.

Bunker Hill Day was celebrated in June, 1975 with exhibits in the Town Hall, an open house at the Museum and a military muster on the Plains, in which units of the First New Hampshire Regiment, Plaistow and the Newmarket Militia participated.

Josiah Bartlett: Two Views, a pamphlet presenting the life and times of Kingston's most celebrated patriot has been printed and is on sale in various bookstores as well as at the Town Hall and throughout the town.

The committee actively supports the restoration work which has been done and is currently being done at the Church on the Plains. Two lovely ecumenical services have been held there, and townspeople have added to the festive atmosphere with music and colonial dress.

Residents of the Kingston area have also been kept up to date on what was happening two hundred years ago by Carol Meisenheimer's weekly insertions in the *Kingstonian*.

As always, the committee enters a plea and an invitation to all those who share an interest in both Kingston's heritage and her future to come to meetings and to help make our celebration of our nation's two hundredth birthday more meaningful by your participation.

KINGSTON PLANNING BOARD

Annual Report — 1975

This report covers the work of the Planning Board as it was constituted prior to Town Meeting and the Board as it reorganized after Town Meeting.

The Planning Board met regularly on the first Thursday of each month. Additional meetings were held as needed to complete unfinished business or conduct public hearings. A total of 16 meetings were held in 1975.

In August, Regional Planning representatives met with the Board to discuss the Water Quality Control Project in which Kingston and other adjacent towns would participate.

Several meetings were held with representatives of the Conservation Commission in a joint effort to reform present legislation on sewage disposal. As a result of these meetings, the Board developed an article for reform measures to be placed on the March ballot.

Elections were held in March as required by law. The Board membership was reorganized as follows:

James Jackson	1979
J. Kenneth Fowler	1976
James Richard	1976
Eileen Nash	1977
Daniel Burbank	1978
Charles Hannagan	Selectman
William Rent	1980

C. Steven Briggs resigned his post as a member in January and was replaced by William Rent.

Public hearings were held in January on proposed changes to the Zoning Ordinance. The proposals were voted in at the March elections.

During the year, 13 subdivisions were approved; 1 was denied.

Eileen M. Nash, Secretary

ANNUAL REPORT OF THE KINGSTON FIRE DEPARTMENT

During 1975 your Fire Department has responded to 62 calls.

3 lost children
5 false alarms
1 propane gas
6 chimney
2 car
18 grass
6 dwelling
2 forest
2 oil burner
1 electrical
2 wash downs
1 dumpster

13 Mutual Aid and standby

As usual, members of the Department have attended seminar and training schools to develop and improve their fire-fighting knowledge. The Fire Wardens and myself attended a State sponsored training session at Brentwood Training Ground in forest fire fighting techniques. Four members of the Department and myself attended a seminar on Forcible Entry in Salisbury, Mass. One member and myself attended a Liquid Propane Gas School in Hampton, N.H. The information, as well as literature, is passed on at the regular drills so that all members of the Department benefit from the classes. Detailed reports of the fires, drills, and activities of the Fire Department have been published monthly during the past year.

I have attended most of the Interstate Emergency Unit meetings. This organization strives to help the various member communities to deal with their fire problems in a cooperative manner. It is reassuring to know that we can have the assistance of these other towns in times of emergencies.

The 1938 Diamond T has been retired and replaced by the new pumper which is in service at the Central Station.

I would like to remind you that it is a state requirement that every property owner intending to install a new heating system shall apply to me for a permit. My phone number is

382-5223. I would also like to caution everyone to use extreme care in installing and using any kind of heating equipment that burns wood. I would be pleased to answer any question anyone might have in regard to safety measures in this area.

642-5512 is the number to call for reporting fires and requesting ambulance service. I ask for your cooperation in calling this number only for these purposes.

At this time I would like to extend thanks and appreciation to all those residents who have assisted the Fire Department in any way during the past year.

Respectfully submitted,
FRANK R. FELLOWS, Chief
Kingston Fire Department

KINGSTON CONSERVATION COMMISSION ANNUAL REPORT

Another successful year has drawn to a close and we want to thank all who have helped us this year. The Ford Foundation project was completed early in March through hard work and many hours of research by all.

Our membership underwent some changes this year. Mary George and Alice Meehan were appointed to serve with us until 1978. Bernard Seiler was appointed to serve out Scott Lindsey's term, which expires in 1977. Because of a change of residence, Mary George resigned from the Commission. Her work and dedication will be greatly missed. David Mayhew was appointed to serve out her term, letting us end the year with a full board.

This year we appointed subcommittees to make the work load at meetings a little easier. They are as follows:

Water Pollution	Forrest Decatur, Chairman
Dredge and Fill	Alice Meehan, Chairman
Public Relations	Carl Hornig, Chairman
Land Acquisition	Bernard Seiler, Chairman.

Anyone having questions concerning these or any other areas, please feel free to discuss them with the Commission. By active community participation, the Commission can best serve the town.

We investigated several dredge and fill applications and suspected violations this year. It was also in this capacity that we held a public informational hearing in September attended by many townspeople, all of whom supported the Commission's position. The Commission has been active in coordinating and selecting sites for testing of the Town's lakes under the Federal Water Quality Management Act. In addition, the present gravel pit ordinance, as adopted by the Selectmen, was developed jointly by the Selectmen and the Conservation Commission.

This year we also attempted to send two young people to conservation camp. Due to the late start, we were unable to do so. However, plans are already underway for the coming year to send two young people from town.

The protection and preservation of our community is the responsibility of all the people in town and the Conservation Commission looks forward to the assistance and cooperation of all in this respect. The Commission urges those holding large tracts of land to place this property under Current Land Use and preserve our forest and open spaces.

 CARL HORNIG, Chairman
